

567—215.9(455B) Future repeal of mercury-free recycling Act—implementation of national program.

215.9(1) If a national mercury-added switch recovery program is developed and implemented with the cooperation and approval of the United States Environmental Protection Agency, the provisions of these rules shall be superseded by the provisions of the national program, and this chapter shall be rescinded, provided the following conditions are met:

- a.* The national program includes a target mercury-added switch capture rate for this state that meets or exceeds the target capture rate established in paragraph 215.4(2) “*h.*”
- b.* The national program includes a funding mechanism that provides for the total costs of the national mercury-added switch recovery program implemented in this state to be paid for by program participants or with federal moneys.

215.9(2) The director of the department of natural resources shall notify the Iowa Code editor of the date when the national mercury-added switch recovery program is implemented.
